Listen and Learn Small group activity to develop attention and listening skills and to support children's social interaction. (Remember - you may have to introduce these activities 1:1)

Listen and Learn - Resources for partners and professionals

Listen to audio books together. Audio books are a wonderful shared reading experience and a shared story gives everyone in the family something to talk about. Plus, you can help boost your child's thinking skills by asking questions about what you've listened to or take turns with your child retelling favorite parts of the story.
