Trolleybuses served the London Passenger Transport Area from 1931 until 1962. For much of its existence, the London system was the largest in the world.

### **Trolleybuses in London - Wikipedia**

This type of black & white sketch drawing, as implied by the name, is not intended to define detail but as a specification guide to builders. All the fine detail has been sourced from several black & white photographs and a lot of interpretation from the few colour images of sufficient quality that could be found.
