I always love these types of books for series that I fall in love with. I never want them to end and definitely enjoy seeing what happened after the last book. This "encore" has a short story for all the couples from the Dangerous Noise series. Vi and Ethan finally get married and she realizes that she doesn't have to change who she is in order for the people who truly matter to love her ...

This book managed to get a spot in our Book Club earlier this year, and I can see why. While the characters do have the most romancey of names (Kendall and Payton, of course) their relationship is the stuff modern romance novels are made of. Best friends who fall in love under extraordinary circumstance. Kendall is a young and wildly successful actress, who invites her longtime BFF Kendall to ...

The Encore Series are concert recordings developed initially in 2002 through a partnership between The Who and TheMusic.com. The series was created as legal alternative to bootlegs of major artists' complete concert tours. Each series is authorised by the artists, and recorded directly from the artists' sound board. The recordings are typically released as a series of individual CD albums, one ...
