Mastering SAP Supply Chain & Procurement – The Supply

PDF | Risks in supply chains represent one of the major business issues today. Since every organization strives for success and uninterrupted operations, efficient supply chain risk management is ...

(PDF) Mastering Supply Chain Risks - researchgate.net

Mastering the Supply Chain is an introduction to supply chain management. The book integrates theory with practice and aims to create a cross-functional mindset in students and practitioners. It provides a wide overview of relevant supply chain concepts and sets out the challenges that need to be overcome in order to find practical ways of implementing these in a real company situation. Readers are continuously asked to actively reflect on the choices they make, thus experiencing first-hand ...

Mastering the Supply Chain (9780749484484) - koganpage.com

Mastering the Supply Chain. Principles, practice and real-life applications • The book wants to go beyond standard supply chain learning. Besides presenting a helicopter view of the most relevant supply chain concepts, frameworks and trends & developments, the book is the companion text for a simulation, The Fresh Connection, allowing students to experience value chain management in real ...
